Sir,

COMMUNITY DEVELOPMENT (South Kanara) -Sullia Block - Levelling of Playgrounds-Financing from C.D. and N.E.S Funds- Relaxation of rules-Recommended-

Ref:Government Memo No.22081/BB/ Public(RDP) Account A) 55-1.Dated 18-10-1955.-

---

In the Memo cited the Government, while directing the Block Development Officer,Sullia to cancel his order of grant for the work of levelling the playground for Doddathe Panchayat Ele. School, observed that such a work could be attended to by the Villagers themselves as only labour was needed there. In this connection,I submit that to level the ground is not an easy job in this District especially in Malnad areas due to the difficult terrain and the nature of the soil. In these parts, such works are as much costly, if not costlier than road works. Therefore I submit that it would be very unfair to say the least of it to place this District on par with others in the matter of grants for earth works.

2. I may also submit that article 213(ii) 6 under Chapter IX of M.F.C.Volume I permits the sanctionof funds from Collector's Discretionary grants for the provision and maintenan of Palygrounds for Village Elementary Schools, and the formation and maintenance of Village playgrounds. It would be a great anomaly if similar grants are denied from N.E.S. Funds for similar objects. This policy, in effect, will put great pressure on the Collector's discretionary grants.

3. I therefore, strongly, recommend that the Government may be pleased to relax the rule issued in the Memo cited so as to permit grants for levelling of playgrounds fromC.D.& N.E.S. funds at least in Malnad Villages if not in the entire district.

Yours faithfully,

13-12-55.

The collector, S. Kanara is informed that Govt. do not consider it necessary ~~and desirable~~ to ~~relax~~ modify the ~~rules~~ orders issued in Memo no. 22081 pub (RDP Accts 'A') DPb /55-1 dt. 18.10.55. ~~as~~ The levelling of play grounds even in the Malnad area ~~in particular~~ as will involve only ~~a little~~ manual labour. This work ~~Govt thinks that~~ can be easily attended to by the villagers themselves.

Please see the letter from the collector of S. Kanara ~~and enclosure on pp 1-5 cf.~~ He has requested Govt. to relax the ~~rule~~ orders issued in ~~Govt.~~ Memo No. 22081 Publ (RDP) Dept Accts /55-1 dt. 18.10.55 prohibiting grants from C.P. & N.E.S. funds for levelling play grounds in Schools. In this connection he submits that such levelling of play grounds is difficult in his district and especially in Malnad area. This kind of works costs as much as road works. In the opinion of the collector it is not fair to treat S. Kanara on par with other districts. Secondly he has stated that according to the directionary powers vested with the collectors they can sanction grants for the proper maintenance of play grounds of E.Le. Schools. He, therefore, requests that the rules may be relaxed in the case of at least Malnad area. For orders.
